Water Tower White for the 4th! (or 5th, or 6th, etc...)

We are featuring our white table wine blend, Water Tower White, for the Fourth of July weekend!

When you come in for a tasting, be sure to try this special blend of Seyval and Vidal grapes (the Vidal are the ones growing right out in front of the winery next to the road, across from the water tower of course!). It's a delicious, refreshing wine to have on hand for parties, or to bring as a hostess gift!

Featured Vendor: The Mustard Seed 'n' More

Five awesome new flavors of locally grown and produced mustard are now here at Deer Run! Owner Maggie Brewer started The Mustard Seed 'n' More in 2008 after giving away her delicious mustards for 20 years. All the peppers for the hot pepper mustard varieties are homegrown and hand-picked on the Brewer farm, all without any pesticides or chemical fertilizers, and all the mustards are gluten-free.

But we're most excited to work with The Mustard Seed 'n' More

Enjoy the Summer Sun at Deer Run!

Winery Update:

The new shoots are growing like mad here at the winery thanks to a combination of summer sun, some high temperatures a few weeks ago, and their deep roots soaking up the rain. So despite the cold spring, the vineyard is all caught up and the vines are back on schedule! Ellie, the vineyard dog, has been enjoying all the wildlife here at the vineyard as usual and has taken a particular liking to chasing chipmunks through the gardens. Luckily, the plants are hardy enough to handle her high-speed hide-and-seek!

Dave McGrath in Concert!

We're all really excited about the upcoming Dave McGrath concert here at the winery. He'll be performing from 7-9 p.m. on this Saturday, July 2, and it's sure to be a great show -- good for families, friends and couples!

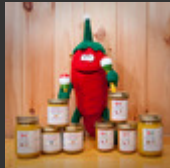

You can bring a blanket or chairs with you to sit out on the lawn, then wander inside the winery for a free tasting, and end up back outside listening to Dave sing and play the guitar. Tickets are \$5, and can be purchased ahead at the winery during regular hours or on the day of the concert. If you want to know more about Dave and his music, check out his website at: <http://www.davemcgrath.com/>.

Thursdays Open Late!

Lakeside living is all about relaxing and decreasing your stress, so we wanted to offer you all one more way to do just that -- visit the winery on a Thursday night in June or July! We're staying open until at least 8 p.m., with free wine tastings and free music. You can buy a glass or two to sip, or a bottle to share with friends and family! The first couple of these Thursday Music Series nights have been tons of fun with a great group of musicians and fans, so please come by and support local music and wine! Bring a picnic basket and a blanket to sit out on the lawn, or just kick back in our porch rockers and while away a summer night with us...

because all the profits from this hometown business go toward local and international missions work. Kids in Livingston, Ontario and Wyoming counties, and kids in Kenya are the beneficiaries of the proceeds from The Mustard Seed 'n' More, so please stop in and try a sample!

Creative Uses for Maggie's Mustards

- * Use mustard instead of mayonnaise as a condiment and be heart healthy!
- * Mix 2 tsp of mustard in deviled egg mix
- * Add 2 tbsp to macaroni and cheese
- * Mix to taste (about 1/4 cup) mustard in a potato salad
- * Spread on salmon or pork tenderloin and grill
- * Mix 2 tbsp into a meatloaf

Attention: Home Winemakers

We've got several cases of used, rinsed wine bottles in different sizes and colors available to home winemakers for free. We have brown, green, clear and a few frosted bottles, so if you would like to reuse a case of these bottles in your own home, we'd love to "recycle" them locally! Please call the winery at (585) 346-0850 to set a time to stop by and pick them up!

*** Winning Wines ***

The NYS Fair Commercial Wine Competition results are in and our **Runway Red** and **2009 Dry Riesling** came away with a Bronze medal each. We just brought this version of Runway out into the tasting room, so be sure to stop by for a tasting of both of these award-winning wines.
