What better way to start off a romantic Valentine's weekend than sipping some wine and tasting some chocolate while listening to live music!!!

#### Romance and wine...

Just a few suggestions to add some romance and wine to your Valentine celebration:

Try chocolate covered strawberries and Deer Run Corot Noir....

Dark chocolate squares and Deer Run Dockside

Deer Run Cayuga White with chocolate covered mandarin orange slices

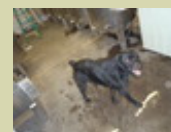

Last but certainly not least, peanut butter cups with Deer Run Max Black!!!

With the warm weather this winter, we have been a bit hesitant to start our pruning. But the work needs to be done, so we've started on our small block of Vidal out by the road. We should have most of the pruning done by the end of February, and our tying starts in April when the vines start taking water and becoming more pliable. We're also changing a few varieties over to a high wire training system, so wire work is on the list of winter work this year...
