## Happy New Year!!!

Happy New Year to all of our friends!!! We are excited about the upcoming year; there are a lot of new and exciting events being planned and worked on as you read this. Let's all make a resolution to make 2012 a great year for everyone!!!

We have been busy getting the numbers together from last year and planning some new events, plus the normal workload (wines and vines). A quick overview of what's in this newsletter: The Mystery Game is returning to Deer Run Winery this winter with 2 different live shows, Wegmans Wine and Chocolate pairing with live music and a tribute to Dr. Seuss on his birthday in March.

### Aconcagua 2011

Well, Steve and I made it

here, working away, trying to figure out how to do a better job than last year and how to get more people interested in Finger Lakes wines. All this is happening while Ellie is busy patrolling the vineyard...

Owners George and Joan Kuyon along with Grandma have made their winter trek down to Jekyll Island, Georgia safely. Joan is very excited to be away from the winery grind, although she keeps tabs on the events from afar. George makes at least one trip back each winter to keep us in line and to check on the wine.

We are working on making this another great year at the winery, and we look forward to seeing our friends and neighbors back for our events and parties, as well as any new faces. It always surprises us when we hear people say they've been driving by for years and have never stopped in. Sooooo, if you know someone like that, send them this newsletter and tell them what they're missing out on!!! Let's party this year like it's 1999, wait, 2012... who knows, maybe the [Mayans](#) are on to something....

back to the US safe and sound after an incredible trip to Argentina

this past December. We traveled to Mendoza, Argentina at the end of November, and left for base camp a couple of days later. I made it to over 16,500 feet above sea level before having to abandon the attempt. The trip was fantastic!!! We had great food in the city, met some incredible people and had unbelievable experiences at base camp, camp 1 and along the way. The above picture of me is at camp 1. Thanks to all of our family and friends for supporting us on this journey and making this a trip of a lifetime!!!
